

PROLINE CONNECTEK PATCH CABINET NO SIDES, 2000X700X1200MM, BLACK, STEEL

CATALOG NUMBER

PNC20712BNS

The ProLine ConnecTek Network Communication/Patch Cabinets feature two vertical cable managers in the front of the cabinet and two rear cable managers for maximum cable routing and support. Cabinets are available in two widths to accommodate high-density cables, patch cords and networking equipment.

FEATURES

Aesthetically pleasing front door offers optimal airflow and durability

Fully perforated top, front door and rear doors allow maximum air movement around cables, patch panels and other network equipment

Front and rear open cable managers provide ability to support and route cable

Side-less models allow for easy installation in ganging applications

Common profiles allow ganging of server and networking cabinets

Top gland plate allows easy routing of cable, pre-terminated cables and patch panels

Three-point locking swing handle allows for easy but controlled access; two keys included
