PROLINE CONNECTEK PATCH CABINET NO SIDES, 2000X700X900MM, BLACK, STEEL

CATALOG NUMBER

PNC2079BNS

The ProLine ConnecTek Network Communication/Patch Cabinets feature two vertical cable managers in the front of the cabinet and two rear cable managers for maximum cable routing and support. Cabinets are available in two widths to accommodate high-density cables, patch cords and networking equipment.

FEATURES

- Aesthetically pleasing front door offers optimal airflow and durability
- Fully perforated top, front door and rear doors allow maximum air movement around cables, patch panels and other network equipment
- Front and rear open cable managers provide ability to support and route cable
- Side-less models allow for easy installation in ganging applications
- Common profiles allow ganging of server and networking cabinets
- Top gland plate allows easy routing of cable, pre-terminated cables and patch panels
- Three-point locking swing handle allows for easy but controlled access; two keys included
