

RACK UNIT LABEL

The Rack Unit Labels are a self-adhered, clear label with white numbers enabling numbering along the sides of open-frame racks or rack angles. The numbers are spaced one rack unit apart. They can be used for bottom-up or top-down numbering of rack units to simplify equipment installation. Each label is provided in two pieces (numbers 1-29 and 30-58) for easier installation. Please note there are two labels per catalog number.
